Your one source for reliability and service.

We have expanded our product line to include a wider product range in insulation, stucco & lath, as well as, acoustical ceiling systems and weather barriers.

*We have the right  
inventory, equipment  
& Experienced Staff  
for your  
next project.*

We serve the construction industry exclusively and we can meet your requirements from the basics beginning with light gauge framing to level 5 skimcoated drywall to certified wall systems and everything in between.

We supply a wide range of construction and remodeling companies with the building materials they need for mid-rise, high rise and multi-family projects to a variety of residential, commercial, institutional and industrial projects.

We make strong commitment with our customers and manufacturers offering personalized service, with the highest quality materials at the most competitive prices in the market.

### **Specialty Services:**

- Light Gauge Framing Design Services
- Certified Steel Framing Engineering Services
- On site Technical Support
- Assistance & Support on Project Bidding
- Specialized Logistics and Material Handling Services.
- LEED Credits Certification Support

### **Specialty Products:**

- Sound & Fire proofing
- Architectural Metals
- Specialty Ceiling Systems
- Water-Proofing and Weather Barriers
- Metal & Vinyl Access Doors, Louvers
- Floors and Roof Latches, Smoke Vents

*We Offer technical knowledge & Support with  
new products, applications & LEED credits.*

AC 1 SUPPLY, INC.
